The Apprenticeship in Divinity is based on the materials channeled by Lesley Michaels from Yeshua. Alaya is offering this with full permission and participation of Ms. Michaels and Yeshua.

This format the apprenticeship meets for 6 months twice-a-month as a group for a 1.5-hour telephone class. During the class an element of the Divine Feminine is examined and an element of dissolution is named. Each of these classes is called a “Wave.” The information and content of each “Wave,” which is conveyed in each class, is only one of the aspects of the apprenticeship. Between each “Wave” the apprentices are given spiritual practices to deepen their personal experience of the material and to awaken the Divine Feminine within them in particular. Each class is a recorded phone session. The apprentices will receive access to a recorded version of the class to review throughout the month prior to the next “Wave.”

Additionally, Yeshua, the individual’s personal guides, along with Alaya’s presence join in an intentional movement of alchemical support on behalf of the apprentices’ process throughout the entire apprenticeship. This process of activation is on-going through the apprenticeship during each “Wave” and between each class. The apprenticeship is uniquely experienced by each participant.

This is not a form of psychotherapy. This is a potent and powerful form of spiritual awakening which will permeate the entirety of each individual participant. Participation in this apprenticeship is the student’s unique participation in a global movement to awaken the Divine Feminine in the planet and within each person.

Full payment for the program of 12 “Waves” is required prior to the first “Wave,” unless individual arrangements have been made directly with Alaya. The price format for Tidal Waves depends upon the number of participants. For example, if there are 10 apprentices, the price per apprentice is \$100/“Wave.” The price per apprentice will be finalized two weeks prior to the first class. A \$50.00 non-refundable registration fee is required for registration. It is up to you, the apprentice, to arrange for a group and to have a “leader” contact for that group.
